

CUT OUT TEMPLATE

AIRPLATE S1

1. AIRPLATE fans include plastic tracing stencils which are recommended to be used for accuracy.
2. When printing this PDF, please check printer settings to make sure the print is not being scaled.
3. Please measure the lines on this page with a ruler to check if it has been scaled by the printer.
4. The thicker lines indicate where to cut. The lighter lines display where the mounting plate will cover.
5. Screw holes are approximately 4 to 5 mm diameter in size.
6. If you have any questions or concerns, our contact information can be found on www.acinfinity.com

AIRPLATE fans include plastic tracing stencils which are recommended to be used for accuracy. This template should only be used as a reference and product specifications may be changed without warning.
